(*d*) As the representations related to the new eligibility rules framed by the University of Madras, they were forwarded to the University for necessary action.

SRI M. RAJAH IYER : Has the pointed attention of the University been drawn to the fact that because there are several subjects and individual minimum is insisted upon in each subject, there has been a shortage in the percentage of boys passing the examination? The University has actually approved of the rules of eligibility suggested by the department. Therefore, it is up to us to suggest the revision of rules of eligibility.

THE HON. SRI M. BHAKTAVATSALAM : Yes, the representations have been forwarded to the University for examination and consideration.
